

Purchaser agreement for 1.4G pyrotechnic products

I, _____(Print Name) am purchasing 1.4G product from Tannerite company. I understand that Tannerite only sells 1.4G products to adults for technical purposes, to be used in a professional manner on private property or for special effect use. I certify that I am familiar with using electric firing systems and understand that any products that are electric-fired must have extension lead-lines attached to the existing leg-wires. I certify that I understand that fuse-lit or electric-fired pyrotechnics are fallible, and that all pyrotechnics must always be used in a manner that avoids injury in the case of a malfunction. I have, or will obtain any/all required permits that may be needed to use any 1.4G pyrotechnic s and will obtain local authority permission before use (if required). I understand that safety extends beyond regulations and will use any product purchased from Tannerite in a safe and legal manner and I will meet or exceed all safety standards.
